The year seems to be flying by and now the heat of summer has arrived. The business of service of process seems to be getting more attention from new comers to our state and people looking to change careers. I am very proud to be aligned with NCAPPS and the professionals that make up our membership. This association is the only voice for Process Servers here in NC.

A few things I would like to remind everyone. In October, the association will hold its second annual conference in Durham. Please see the website for details. The associations By- Laws determine that the fiscal year covering the payment of dues shall be October 1- September 30 of the following year. Reminders will be sent out to our members and thank you for your support.

Also NCAPPS is a sponsor at the PI Summit in August at the Marriot Uptown in Charlotte. There are opportunities to expand your business and network with other professionals. The NCAPPS website and newsletter are great sources of information. The Summit will certainly offer something for everyone.

We welcome volunteers for the conference, meetings, events and committees. This is a great association with members that have so much expertise and knowledge. Working together we can achieve all our goals for success.

Warmest Regards

Ruth Reynolds
NCAPPS President

Conference Calls for General Membership

By Kimberly Hamilton, NCAPPS Secretary

NCAPPS will soon begin hosting conference call meetings for the general membership. Members will be able to call in and listen to the Board Members as they give their reports. The first conference call for the General Membership will be **Tuesday, August 6th at 7:00 PM**. There will be an open discussion for members to ask questions, suggest ideas and discuss any concerns they may have regarding our industry. This idea of a general membership conference call was introduced due to the fact that many members cannot make the meetings, the distance to travel is too far or they are out in the field.

NCAPPS hopes this convenience will allow more members to be in attendance and be active within the association. General meetings throughout the state will still be held, but conference calls between those meetings will be scheduled. Members will receive information on how to call into the conference call, when it will take place and instructions for participating. We look forward to our first one and having many members attend!

Conference Call Calling Code: Please dial 605-475-4800 and when asked, enter the code 1092840 #. Please state your name when entering the conference call and when speaking.

NCAPPS and the Charlotte Super PI Summit

Our own NCAPPS President, Ruth Reynolds is one of the Key Speakers for the event. We encourage all members to attend as this will be a great networking and education opportunity.
