We are excited to announce that NCAPPS is preparing for its Fourth Annual Conference on October 17th, 2015. We are looking for sponsors and exhibitors to help make our conference a truly wonderful event. Our sponsors and exhibitors make this event possible for our association to continue offering education, networking opportunities, information on changing laws and regulations, and design goals and strategies to obtain those goals for the future of process serving.

Being at our conference is a great way to spotlight your company, your services and to receive special recognition. We have different levels of sponsorship and all sponsors and exhibitors will be recognized during the conference. If you have any questions, please contact NCAPPS President, Kimberly Hamilton at 336-516-7896.

On behalf of North Carolina Association of Professional Process Servers, thank you for your support of our profession!!
